2008 Sponsor Listing
Championship Cup Series
Southwest Region

Please list your 2008 sponsors on this form. To update your sponsors during the season, please fill out the form available at registration. PLEASE PRINT CLEARLY AND PRECISELY as most of the errors are not 'typo' problems, but our inability to read the form. NOTE: Many contingencies require you list them as a sponsor in order to be eligible for the contingency payout. Please make sure you check which ones are required to be listed, and list them on this form before submitting it to us. Thank you.
